## NOTES

- Pricing includes all setup and decoration.
- Mockup colors may vary slightly from the final product.
- We typically ask for 10–14 business days for most projects. The in-hands date is estimated and not always guaranteed.
- All balances must be paid in full prior to production.
- Invoices paid with a card incur a 3.5% processing fee. Zelle payments are not charged — email jobs@katalystko.com.
- Payment in full authorizes production to begin immediately.

Due to the custom nature of our work, all sales are final once payment is received. No refunds, exchanges, or cancellations permitted. Exceptions, if any, are granted solely at the discretion of management. Please allow for 2–3% spoilage. In the rare occasion an item is damaged or misprinted, we will not be able to replace customer-provided products.
